

Color in your country's flag here.

Find and color in your country on this map of the world.

A traditional dish from your country: _____

(Use the back to write the recipe.)

In the Martin & Sylvia: Saturdays story “**Around the World**,” the children get to do a special project about different countries around the world. They learn about the flag, the map and the food of their country of choice. You too can choose a country you’d like to discover, and use the page above to share what you’ve learned.
