The **Junkyard Tales Audio Advent Calendar Day 9**. Right when the Junkyard animals are all worried for the young mice and Spiro, Harriet Hawk arrives with good news: she has seen the mice and Angus and Spiro. All are safe! This reassures everyone except Zippy who is determined to help his friend. And, surprising everyone, he actually zips to the rescue.

This story has a drawing of Harriet, but not Zippy. What do you think Zippy looks like?
