Government Audit Training Institute

Graduate School USA is committed to helping you achieve your training goals.

Graduate School USA's auditing courses are offered under the auspices of our Government Audit Training Institute (GATI), recognized as the premier provider of training in performance auditing. Did You Know....

The GAO Guidance on GAGAS Requirements for Continuing Professional Education says:

> **"The term "auditor" used throughout GAGAS...includes individuals who may be titled auditor, analyst, evaluator, inspector, or may have a similar position."**

The terms Audit or Auditor, used in GATI course listings, apply generically to all position titles engaged in audit, evaluation and similar work.

All Graduate School USA courses labeled "AUDT, " within the Government Audit Training Institute, qualify for the GAGAS defined 24 Government Auditing CPE requirement (as well as the remaining 56 CPE of the 80 total required in a two-year period). Many of the other Graduate School USA courses listed with ACCT, FINC, BUDG, ACQI, PGMT, COMM, WRIT labels also qualify for GAGAS eligible CPE.

All GATI courses are based on the Government Auditing Standards issued by the Government Accountability Office (GAO).
