Schiphol Valet Parking 2018 surcharges (incl. VAT)

Changed return flight

EUR 11.50

To facilitate smooth operations, we work with a reservation system that is linked to the Schiphol flight information system. This means we have up-to-date information on any flight or time changes. So if your flight is delayed, for example, you will **not** need to pass on this information to us.

Have you changed your return flight yourself?

However, if you decide yourself to take another flight, you **will** need to let us know. If you don't inform us, we will have to charge you an additional EUR 11.50 in call-out charges. You can change your departure date free of charge (up to 24 hours in advance) via My Booking on the website.
