

COAST BEACH CAFÉ & BAR

Shutters on the Beach Offers Casual Seaside Eatery for Breakfast, Lunch and Dinner

Setting the standard for culinary excellence on the Santa Monica shoreline, **Shutters on the Beach** invites guests and locals to enjoy the ocean air and tasty delights at its casually elegant market-fresh restaurant, **Coast Beach Café & Bar**. The relaxed atmosphere, panoramic beach views and variety of market-fresh menu options attract diners for a bistro-style breakfast, lunch, dinner and happy hour.

In keeping with the classic beach cottage aesthetic that defines Shutters, Coast recalls chic Southern California refinement with modern energy for urbanites keen for an unbeatable view of the Pacific. Trellises with bright flowers surround the expansive patio, which opens to the coast. For exceptionally bright days, fabric flows overhead, warm earthen stones comprise flooring, and soft seaside hues provide true beach comfort and chic dining. Contemporary touches include an open kitchen for curious eyes, a self-heating floor to provide warmth on those cooler evenings and two plasma screens above the long inviting bar and a lively communal table.

Coast offers a menu of finely executed comfort foods, with an emphasis on dishes that speak to the seaside location. Signature items include *Lobster Rolls*, *Fish Tacos*, and a San Francisco-inspired *Cioppino* while the centrally-highlighted Raw Bar stocks fresh offerings such as *Oysters*, *Clams*, *Dungeness Crab* and *Shrimp*.

Whether enjoying seafood from the Raw Bar with a crisp Sauvignon Blanc, classic appetizers washed down with an inventive cocktail or an after-dinner cappuccino with a sampling of desserts; all manners of dining are relished at Coast. Paired with the sun or moon-lit sands of the Santa Monica coast and the slight salt air off the Pacific's crashing waves, Coast is a perfect casual seaside dining destination for California locals and beachgoers from afar.

Coast is open for breakfast, lunch, and dinner seven days a week.
