About the Malala Fund

Inspired by co-founders Malala and Ziauddin Yousafzai, Malala Fund's goal is to enable girls to complete 12 years of safe, quality education so that they can achieve their potential and be positive change-makers in their families and communities. The Malala Fund works with partners all over the world helping to empower girls and **amplify** their voices; we **invest** in local education leaders and programmes; and we **advocate** for more resources for education and safe schools for every child.
